- **Alberta business owned by Albertans**
- **A pristine environment**

Education that meets the needs of students and employers

- **Consult with business and the public sector to determine their requirements for professional and skilled workers over the next ten years**
- **Meet representatives of our post-secondary institutions and develop a plan to provide the necessary facilities and instructors to educate these workers**

First class service in health care

- ❁ **Develop a plan to reduce waiting times and increase service levels comparable to the best health care systems in the world**
- ❁ **Train many more doctors, nurses, and other medical personnel**
- ❁ **Provide grants to medical students who commit to work in Alberta's high-need areas after graduation**

A better share of energy resource wealth for all Albertans

- ⦿ Increase royalties to be more in line with Alaska and other jurisdictions**
- ⦿ Increase size of Heritage Trust Fund and pay annual dividend from earnings**
- ⦿ Limit number of permits issued for oil sands development**
- ⦿ Require bitumen to be upgraded in Alberta**

Reasonably priced utilities

- **Reduce the high prices Albertans have to pay for their natural gas, gasoline and electricity**
- **Reverse decisions by the Energy and Utilities Board which have allowed money grabs from Albertans**

Affordable housing

- ⦿ **Cap annual rent increases to Alberta's annual rate of inflation**
- ⦿ **Eliminate education tax for low-income property owners**
- ⦿ **Help organize and support cooperative housing projects**
- ⦿ **Encourage Federal Government to reinstate the MURB program**

Alberta business owned by Albertans
