

*T*ogether, we can continue to meet the challenges of making Manitoba strong, so you and your family can enjoy the full measure of Manitoba's promise. Your support is important on election day.

Thank you

Gary Filmon

Protecting Abused Wives

Gary Filmon has allocated funds for Manitoba's "Wife Abuse Is a Crime" public awareness campaign...expanded wife abuse crisis telephone lines...and increased funding for wife abuse shelters.

Cracking Down on Drinking-and-Driving

Gary Filmon believes that family protection must include tough anti-drinking-and-driving laws...and that's why he's given Manitoba the toughest, most effective anti-drinking-and-driving measure in all of Canada.

Easing the Family Tax Burden

Gary Filmon has cut \$61 million from the tax bills of Manitoba's working families and more than doubled deductions for dependent children – while tightening the purse strings on a runaway budget and strengthening priority areas such as health care, education, environmental protection and day care

Working to Make Childcare Affordable

Gary Filmon knows that each Manitoba family – rural or urban – has its own unique childcare needs, especially when it comes to time-flexibility. That's why he's increased childcare funding by 47% and allowed parents to use income subsidies at the childcare center of their choice – public or private.

***Making Life Easier for
Manitoba's Senior Citizens***

Gary Filmon appointed Manitoba's first Minister for Seniors...created the first Seniors Directorate in Manitoba...established the Aging and Rehabilitation Product Development Centre...and gave senior citizens easier access to government services through the Senior's Information Line.

***Protecting Manitoba's Precious
Environment - For Our Children
and Generations Beyond***

Gary Filmon has allocated funds to reduce solid waste by one-half by the year 2000...introduced legislation to ban substances that deplete the ozone layer...launched a comprehensive program to protect Manitobans from the hazards of Radon, and opened the first year-round collection depot for hazardous household waste.
