

Speaking Up For You:

The only real alternative to the present attitude of government is Peter Fenwick and the NDP.

New Democrats are known for their hard work and deep commitment to improving the quality of life in our communities.

"What we are offering," says NDP Leader Peter Fenwick, "is a strong, vocal presence in the House of Assembly.

"We in the NDP will keep the government accountable, and make sure that the issues affecting the ordinary people of this province are heard, and acted on."

SPEAKING UP FOR YOU!

On April 2 Vote NDP

“The people of Newfoundland and Labrador can count on the New Democrats to speak for them.”

— Peter Fenwick, Leader,
Nfld. & Labrador New Democratic Party

“After this election is over, a lot of big decisions that affect the future of Newfoundland and Labrador will be made by a new government.

“We in the New Democratic Party will fight to make sure that those decisions are made in the best interests of **all** the people of our province, not just Big Business.

“Ordinary people can count on New Democrats to speak for them.

“The election on April 2 can be a real breakthrough for the people of Newfoundland and Labrador.”

In this election, voters are being offered a “choice” between the Tory Party and the other Tory Party of Leo Barry.

It’s becoming an almost daily event for politicians to flip-flop between the PC and Liberal Parties. That’s because there’s no real difference in policy between them.

Peter Fenwick and the NDP provide for the opportunity for that breakthrough. They are the real alternative to the present state of affairs.

We need more NDP MHAs to join Peter Fenwick in the House of Assembly.
