Who being come, with their Speaker,

His Royal Highness the Governor General was then pleased to open the Session by a Gracious Speech to both Houses:—

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

Very grave events vitally affecting the interests of all His Majesty’s Dominions have transpired since prorogation. The unfortunate outbreak of war made it immediately imperative for my Ministers to take extraordinary measures for the defence of Canada and for the maintenance of the honour and integrity of our Empire.

With respect to such of these measures as may require the sanction and approval of Parliament, the necessary legislative proposals will be submitted for your consideration. Other Bills authorizing additional measures which are essential for the public safety will also be presented to you without delay.

Gentlemen of the House of Commons:

Estimates will be laid before you to provide for expenditure which has been or may be caused by the outbreak of hostilities.

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

The critical period into which we have just entered has aroused to the full the patriotism and loyalty which have always actuated the Canadian people. From every province and indeed from every community the response to the call of duty
has been all that could be desired. The spirit which thus animates Canada inspires also His Majesty's Dominions throughout the world; and we may be assured that united action to repel the common danger will not fail to strengthen the ties that bind together those vast Dominions in the possession and enjoyment of the blessings of British liberty.

As representatives of His Majesty the King, I must add my expression of thanks and admiration for the splendid spirit of patriotism and generosity that has been displayed throughout the length and breadth of the Dominion.

His Royal Highness the Governor General was pleased to retire, and the House of Commons withdrew.

After some time the Senate was resumed.
